Circular No. (1) for 2022

To:

All shipping agents

Operating Companies at the ports

Subject: Regarding compliance with precautionary measures, prevention protocols, social distancing and wearing masks in all establishments, activities and events

Referring to the Royal Decree No. 32609 issued in 24/5/1443 H, which requires all agencies to comply with precautionary measures, prevention protocols, social distancing and wearing a mask in all the establishments, activities and events which are under their supervision and monitoring violations and imposing penalties on violators.

Saudi Ports Authority stresses that all companies and licensed entities at the port should comply with precautionary measures, prevention protocols, social distancing and wearing masks in all establishments, activities and events, and will be imposing penalties on those who do not follow as such.
